7th February 2023.

Dear Parents and Carers,

Today we will be joining schools and youth organisations across the UK in celebrating Safer Internet Day 2023.

Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on children and young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers and more, to help to create a better internet.

Using the internet safely and positively is a key message that we promote in school, and celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year.

We would be delighted if you could join us in celebrating the day by continuing the conversation at home. To help you with this, we have created an online survey that you can complete with your child about online safety by using this link

<https://forms.office.com/e/q9wnMvTTMQ>

Alternatively, you can scan this QR code which will take you directly to the survey.

With your help, Safer Internet Day 2023 can be a springboard for conversations that shape how we talk about and respond to online issues, not just for one day, but throughout the whole year.

Yours sincerely,

K Mulvey
