11th May 2023.

Dear Parents

Meal Price Increase – September 2023

As you will all be aware, the cost of food and transport costs have risen drastically over the last year and continue to increase.

To date we have been very fortunate at Preston Primary School and have only increased the price of our school meals once in the last 5 years. Unfortunately, we are now at a point where this is no longer viable, and we find ourselves in a position where we now have to increase the meal price to parents.

Therefore, all meal bookings from September onwards will be charged at £2.70 per meal. All children in receipt of free school meals will continue to receive free meals whilst they are entitled. All Universal Infant Free School Meals will continue to be free from Year R to Year 2 for as long as the Government continue to fund them.

We are sorry to have to inform you of these price increases, but we can assure you of our catering team's ongoing commitment to providing tasty and nutritious meals for your children.

With very best wishes.

Yours faithfully

Mrs Claire Hodgson
