24th November 2022.

Dear Parents/Carers,

Cool Aeronautics Day

We are very excited to announce that all our Year 6 students will be taking part in Leonardo's Cool Aeronautics Day. During the day, we will be taking part in a series of engineering-based practical activities while receiving instructions and advice from the Aeronautics team. It will be the perfect opportunity to enthuse our learners with the exciting skills of engineering.

For this activity, we are asking that the children bring in **one carrier bag of recycled materials** from home to help in the construction (e.g. clean plastic bottles, cardboard materials and at least **one milk bottle**). These materials need to be kept within teams so we ask that any resources come in a **named bag** between Friday 25th and Tuesday 29th of November in preparation for Wednesday 30th November.

Thank you for your co-operation in this matter.

Yours sincerely,

E Moorhouse
