Dear Parents/Guardians,

Year 4 Multiplication Tables Check

As of last year, it became mandatory for all Year 4 pupils to sit an official government multiplication check. This year these tests will take place at some point between 5th – 16th June.

The purpose of the check is to determine whether your child can fluently recall their times tables up to 12, which is essential for future success in mathematics. It will also help us to identify if your child may need additional support. More information can be found on the attached leaflet or by visiting: [Multiplication tables check - GOV.UK \(www.gov.uk\)](https://www.gov.uk/multiplication-tables-check)

We do not want your child to worry about these tests, but we would encourage you to help them with their times tables, as we will be doing in school. We have included, below, a couple of online resources which may assist:

Maths Frame Times Table Check:

<https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check>

This site replicates the Government test in terms of 25 questions administered at 6 second intervals. No logon is required.

Plus. keep practising as often as possible on TT Rockstars:

<https://ttrockstars.com/>

Thank you for your continued support and if you have any questions, please do not hesitate in contacting us.

Yours sincerely,

S Hann

Mrs S Hann,
Deputy Headteacher.
