## Summer Term Club List Summer 2021

We are delighted that we are still able to offer a selection of after-school activities to the children this term, whilst adhering to the current health and safety guidelines. All clubs start during week commencing 26th April 2021.

To ensure we are keeping the children safe, we cannot mix bubbles and the number of children in the clubs is limited.

Clubs will run until **week commencing 12th July 2021** finishing at 4.20pm unless otherwise stated.

Collection from all clubs will be from the playground. We love running after school activities for the children but misbehaviour or non-attendance without prior warning may result in a pupil losing their place at the club.

Please note that for sports clubs, trainers and sports gear will need to be worn.

**Sports Clubs will be conducted on a no contact basis and will adhere to current safety guidelines. We have ensured, for safety reasons, that clubs will be single year group based only for the time being. We would ask that you allow your child to sign up for a maximum of 2 clubs only so that we can ensure a fair access to our after school activities for as many possible.**

Mr Bourne is running his current clubs commencing 20th April until 25th May (places are still available—please speak to the school office for details). Details of his clubs after May half term will be available just beforehand.

*If your child will not be attending a club on any given week please can you inform the school office of this fact so that they can inform the club leader on the day. Once they sign up to a club, children are expected to consistently attend the club for its duration; normally a term in length. We do understand however that after attending for one week some children may decide that the club is not for them. If this is the case then please inform the club leader of this fact.*

**\*\*Please note: There will be no clubs running on the final week of term\*\***
