

Is/are—Noun-verb agreement

You will need the following pronouns for this activity;

He

She

They

You will also need these verbs;

reading

eating

drinking

climbing

playing

skipping

running

swinging

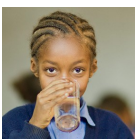

sitting

throwing

We use the word **is** where there is **1 person** and the word **are** when there are **2 or more people**. For example;

She is drinking.

They are skipping.

Can you say what these people are doing?
