4th January 2023.

Dear Parents,

Maths Family Learning Course – Year 1

Preston Primary School will be holding a Maths Family Learning Course for Parents of Year 1 children this January.

We have run Family Learning courses for a number of years and have found them to be hugely successful. Family Learning is where both children and adults are engaged in learning activities together. Through these shared experiences the culture of learning in the family grows. Family learning also helps parents and carers improve their self-confidence and parenting skills, and their ability to help their children learn.

This 4-week course will give parents invaluable experiences on how we teach a variety of Maths concepts and skills in Year 1. It is also a fantastic opportunity for parents to spend quality time with their child, learning and working together.

Sessions will take place on the following dates:

Friday 13 th January 2023	9am – 11am
Friday 20 th January	9am – 11am
Friday 27 th January	9am – 11am
Friday 3 rd February	1pm – 3pm

The course is free to join. Please complete the form below if you would like to take part and return to your child's class teacher. There are 12 spaces available and these will be allocated on a first come first served basis. If you do not hear anything from us, please assume that you have been successful in getting a place on this course.

If you have any questions, please do not hesitate to contact me.

Yours sincerely

S Chislett
