

23rd May 2025.

Dear Pupils,

This year, **Preston C of E Primary** is celebrating its **150th birthday** – how amazing is that?

To celebrate, we are making a **time capsule**!

A time capsule is a special container where we put things from **today**, seal it up, and hide it away. Then, many years in the future, someone will open it and see what life was like in **2025**!

This is where **you** come in!

We are having a **competition** to choose what goes inside the time capsule. We want **your ideas** for something that shows what life is like now. It could be something fun, something important, or something that tells a story about today's world.

The time capsule is **only 40cm long and 10cm wide**, so your idea **can't be too big**. Here are some examples of what you could suggest:

- A photo of our class or school
- A letter or drawing about your favourite things right now
- A small toy or object that's popular today
- A newspaper front page or news story
- A list of your favourite songs, games or food in 2025

This is your **chance to make history** and leave a message for the future!

Please send us your idea by 20th June. You can either send your idea via email to office@preston.ppat365.org or give a note to your child's class teacher.

We can't wait to see what you come up with!

Best wishes,

C Moseley

Mrs Moseley,
History Lead
