21st October 2024.

Dear Parents and Guardians,

I hope this letter finds you well. We are excited to announce that our school will be hosting a **Sponsored Run** to raise funds for our chosen charity, **School in a Bag**, which provides educational resources to underprivileged children around the world.

The run will take place on **Friday 22nd November** and all students will be participating. We want this event to be a fun, inclusive and community-driven activity with the focus being about raising as much money as possible rather than winning a race. With this in mind, we have decided that we would like the children to have a **set amount for sponsorship** rather than being sponsored per lap. This ensures that everyone can enjoy the run at their own pace without feeling the pressure to "race." There will be prizes for the children who raise the most money.

Our goal is to raise as much as we can for School in a Bag and to help provide essential school equipment for children who otherwise would not have access to it. We kindly ask that each family supports their child's participation by helping them find sponsors from family members, friends or neighbours who are willing to donate a set amount for their efforts.

Please be assured that every contribution, big or small, will make a meaningful difference.

Thank you so much for your continued support of our school and its charitable initiatives. We are looking forward to a fantastic event that will not only benefit others but also promote physical activity and teamwork among our students. Photos of the event be available to view on the 'Charity Work' section of our website.

Please note: This event will be weather permitting and may need to be postponed. Children will be wearing their school PE kits for the run but if you wish to send them in with some jogging bottoms or leggings, please feel free to do so.

Warm regards,

C Williams

Miss C Williams,
