

Preston Primary
Battle of the Houses:
Reading Challenge!

February 2023

Dear children,

Welcome to your Reading Challenge this term! This is your chance to battle it out to earn **hundreds** of team points and other **prizes** for you and your house...

Key Stage 1:

From now until World Book Day (2nd March), we invite you to complete our “Reading Bingo” challenges. We have sent this to your parents and we have copies in school. Read to friends and family, read in funny places...complete the challenges and send us photos. You could earn a lot of points and prizes!

Key Stage 2:

Your challenge is slightly different. We challenge you to read at least one book and write a book review.

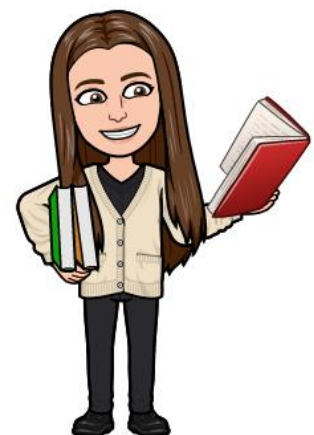

10 team points will be given to anyone who has completed a book review. That means if you read 5 books and complete 5 book reviews, you will receive a MASSIVE 50 team points! Please complete your book review on <https://forms.office.com/e/Pa946yxrma> . Or you can write us a book review and bring it into school.

We hope you enjoy our challenges. We shall announce the winning house during World Book Day and award prizes and certificates.

Happy Reading!

Love from,

Miss Feltham.

‘If you know how to read then the whole world opens up to you.’

- Barack Obama
