MFL	The Future/Jobs: Children will continue to develop their language skills within French with emphasis on listening and speaking and developing cultural understanding will a focus on jobs and the future.
DT	Electrical systems: Children will make a steady hand game. Mechanical systems: Automata toys Children will make a Automata toy.
Art	Sculpture: Making memories
Geography	Mountains: Children will be able to locate and name countries, continents, oceans, rivers and mountain ranges as they focus on describing the physical and human impact of mountainous areas.
History	People who changed the world: children will gain an understanding of key historical figures who changed the world and investigate their legacies.
RE	Islam: Children will investigate the Islamic faith and look at key religious festivals as well as investigating the importance of prayer and the Qur'an. Humanism: Children will become familiar with the terms 'material world' and 'secular' and understand the principles of humanists and the difference between right and wrong.
Music	Moving on: Singing songs with expression and two part-harmony using complex notes and rhythms. Year 6 Production: The children will rehearse and perform a production to culminate their time at primary.
PE	Athletics: Children will develop their skills on running for speed, distance inc. hurdles and develop their throwing skills inc: push, pull, heave and fling. In addition, they will practise jumping for height and distance in a series of multi-event challenges.
PSHE/RSE	Rights and responsibilities: Children will learn about media bias, their community and environment, earning and saving money as well as understanding more about the process of democracy. Growing and changing: Children will review puberty and feelings, conception to birth and respectful relationships; there will be a special focus on transition to secondary school.

Homework

MATHS

Children will receive Maths homework on a Friday to be handed in the following Tuesday

Relevant Booster homework is set on a Thursday to be handed in on Tuesday.

MyMaths tasks set on www.mymaths.co.uk.

ENGLISH

Children will receive English homework on a Friday to be handed in the following Tuesday.

Relevant Booster homework is set on a Thursday to be handed in on Tuesday.

SPELLING

Weekly spelling tests will be set every Friday and tested the following Friday.

Spellings should be revising their spellings everyday (including lists from previous weeks). These are available on spellingframe.co.uk.

Children should be able to spell all words from the Y5/6 statutory Word List.

READING

Reading books should be brought to school and taken home every day.

Children should read at least 15 minutes per day at home, including some reading to an adult. Children to record daily reading in homework diaries.

SCIENCE

Science Homework to be set every Wednesday; children should read regularly from their Science Textbook.

ADDITIONAL INFORMATION:

- ◆ Additional homework will also be set as required. In preparation for secondary school, it is very important that children record all homework set in their homework diary.
- ◆ Please ensure your child has a named PE kit in school at all times.
- ◆ In addition, Year 6 pupils have the opportunity to play football or other games on the field at lunchtimes throughout the year. Please provide spare sports clothes and footwear.
- ◆ We would encourage you to use the homework diaries to record any questions or comments you wish to share with us. Please ensure your child brings any comments to our attention as we do not check each homework diary daily. Times can be arranged at the end of the day to see parents in person. If we need to discuss anything with you, we shall contact you for discussion.

Collective worship:

Exploration of a range of moral, spiritual and religious issues linked to everyday life.
