UNITED WORLD SCHOOLS

Empowering Courageous Advocacy Through Education

Courageous Advocacy in Action

By supporting United World Schools, our pupils will:

- Learn about global inequality and fairness
- Develop empathy and compassion for others
- Use their voices to stand up for children's right to education
- Take action through fundraising and awareness projects

This charity partnership helps our children understand that they can make a difference.

Why This Matters

- Education is a basic human right
- Millions of children worldwide still cannot access school
- Education gives children the tools to change their own futures.

♥ Together, We Can Change Lives

Supporting United World Schools allows our whole school community to work together to create a fairer world through education.
