### Year 3 Family Learning – Maths

Dear Parents and Carers,

We are delighted to invite you to a Maths Family Learning opportunity designed to support both you and your child in developing confidence and enjoyment in mathematics.

Over the course of four weekly sessions, we will explore basic maths skills and discover how children's learning progresses throughout Key Stage 2. These sessions are a fantastic way to learn together, gain insight into the curriculum, and have fun with practical activities — including a baking session to explore measurement in a hands-on way!

**Time:** 9:00am – 10:30am

**Session Dates:**

- Tuesday 11th November
- Tuesday 18th November
- Tuesday 25th November
- Tuesday 2nd December

Each session will involve parents working alongside their child, making it a valuable shared learning experience.

If you would like to take part, please let us know by returning the reply slip at the bottom of this letter.

We look forward to welcoming you and sharing the joy of learning maths together!

Warm regards,

*T Haines*

Tracy Haines
